Turf meeting: People don't want it and the meeting was 10 to 1 against it.

New Business:

County meeting update: 29 coaches in county need to upgrade. Spring soccer 16 teams within county. County asked to reimburse Breaker's coach who obtained A license, but motion was denied. All D3 teams in county will share the same league number and will be able to move players from club to club. Significant discussions of combining all clubs in county into one single county club.

Combining clubs with Aptos: Mainly around D3 clubs, goes back to county meeting. SV did all U10 in house saved them a lot of money. Pajaro will consider doing it this year and also Aptos. County presidents want info. On the registrar, does it make more sense to have one super club, the clubs are against it, but if it goes to a vote everyone just gets one vote. This could be phased in over the next several years starting with U9.

Turf field meeting: Lots of people against the turf.

New Business: Elfin requests that he be assigned as assistant coach to the U11B team for Mid-County Fall D3. Board will defer vote until April meeting.
